Non-Qualifying Competition

This competition is open to qualified skaters who are registered members of the U.S. Figure Skating or Skate Canada. This is a non-qualifying competition and will be governed by the current U.S. Figure Skating Rulebook except as modified by this announcement and US Figure Skating Rulebook errata as posted on the US Figure Skating website. In particular, competitors in Juvenile through Senior short program and freeskating events are referred to the Technical Notification website posted on the US Figure Skating website. Competitors will skate under current rules as may be modified by the outcome of the 2009 U.S. Figure Skating Governing Council meeting. All competitors shall be responsible for becoming informed and conforming to such rule changes coming out of the 2009 U.S. Figure Skating Governing Council meeting.

The Referee and LOC reserves the right to combine Ladies and Men's events where permitted by the current U.S. Figure Skating Rulebook. Any singles skater may enter one event level higher than the event for which he/she qualifies based on the skater's current U.S. Figure Skating test level. Skaters must skate U.S. Figure Skating elements for the Short Program as written for the 2009-2010 season in the current U.S. Figure Skating Rulebook. For pairs, test level is governed by the partner with the higher test.

Events with large numbers of entries may be split into multiple, equal-sized groups at the discretion of the Referee and LOC. In such cases, events will be split by age for Non-Test through Open Juvenile and Adults, by draw for Juvenile through Senior. No final rounds will be skated for Non-Test through Open Juvenile and Adults.

In the Intermediate through Senior Singles and Pairs categories, the short and free skate programs will be scored as combined events, meaning that skaters in these events are required to enter both short program and free skate program. Likewise for Juvenile through Novice Dance categories, the compulsory dance and free dance programs will be scored as combined events, meaning the skaters in these events are required to enter both compulsory dance and free dance events.

QUALIFYING AND FINAL ROUNDS

Qualifying and final rounds will be held in accordance with the current U.S. Figure Skating rulebook with the following exceptions:

For Senior, Junior, Novice and Intermediate Singles and Senior, Junior and Novice Pairs Events, the qualifying rounds will consist of the Short program and Free Skate, the combined results of which will determine the qualifiers and the final round will consist of only the Free Skate. Skaters will be judged on their interpretation, style, choreography and presentation, not technical difficulty. Each judge will award one mark for each skater in Presentation. Basic Skills Competition Eligibility Rules For Participants

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Basic Skills Program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Basic Skills Program/Club or any other Basic Skills Program/Club.

Eligibility will be based on skill level as of closing date of entries. All SNOWPLOW SAM and BASIC SKILLS SKATERS THROUGH BASIC 8 must skate at highest level passed and NO official U.S. Figure Skating tests may have been passed including MIF or individual dances.

For the Free skate 1-6 eligibility will be based only upon highest free skate test level passed (moves in the field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition.

Please note: If a skater competes at a non-qualifying competition in a "Beginner or No Test" category, then that skater must compete at the equivalent or higher level in a Basic Skills approved competition.

Fees

The entry fee is \$45 for the first event and \$15 for each additional event entered. If not currently a member of U.S. Figure Skating or Basic Skills an additional \$7.50 membership fee must be included and membership form submitted with entry. **A charge of \$25 will be assessed for checks returned for non-sufficient funds (NSF) and must be paid in full prior to the start of competition in order to compete.**

Refunds will be issued in accordance with Rule 3230 of the US Figure Skating Rulebook and only if the event is not held. In any event with only one entry, the skater will be offered the choice of either competing as an individual competitor in accordance with Rule 1465 without a refund, or withdrawing for a refund. All refunds, if applicable, will be mailed within 30 days after the completion of the competition.

To withdraw, notify THE REGISTRAR immediately.

Boys and girls may be combined to compete in the same event, at the discretion of the Referee and LOC. Events with large numbers of entries may be split into multiple, equal-sized groups by age (with no more than 3 years age difference total in a group) at the discretion of the Referee and LOC. No final rounds will be skated.

Awards

Awards will be presented at the photographer's table immediately after the official posting of each event. Awards will be given for first through fifth places in all Basic Skills events.
